6.職務内容 Duties

Receive and refer phone calls at the Urgent Care Clinic desk, coordinates with local host nation hospitals for all emergent and primary medical care situations. Translates and interprets the explanation of care to be provided to English speaking patients in Japanese health care facilities and Japanese speaking patients in our military facility as well as for the health care providers. This requires a high degree of proficiency translation and interpretation due to the life-and-death nature of many medical situations. Translates medical documentation and conversations for physicians and administrators alike concerning the status and continuing care for patients in local Japanese hospitals in all situations. Receives, clarifies, and translates medical billing and insurance requirements. Performs written translations, from English into Japanese and vice versa, of material which routine and non-technical in nature such as certificates, personal history statements, listings, letters, administrative records, and other administrative documents. Prepares routine monthly correspondence, reports, and other documents, using a variety of office automation software in support of the organization and assists in administrative area as needed. Operates government vehicles as required. Performs other duties as assigned.
